

Appl. No. 10/597,170  
Amdt. dated November 16, 2007  
Preliminary Amendment

## **REMARKS**

The amendments to pages 6, 9 and 15 of the Specification were submitted with the Demand for International Preliminary Examination in German text. An English translation of the annexes to the International Preliminary Examination Report was included with the application documents as filed. Because the English translation of the Annexes does not directly correspond to the English translation of the specification, these amendments are being included within this document.

Claim 6 has been amended to include an amendment to this claim that was also submitted with the Demand for International Preliminary Examination. This amendment was inadvertently omitted from the claim in the Preliminary Amendment filed on January 2, 2007.

This constitutes a request for any needed extension of time and an authorization to charge all fees therefore to deposit account No. 19-5117, if not otherwise specifically requested. The undersigned hereby authorizes the charge of any fees created by the filing of this document or any deficiency of fees submitted herewith to be charged to deposit account No. 19-5117.

Respectfully submitted,

Date November 16, 2007
